

# DSC8001: SEMINARS ON DATA SCIENCE I

---

## Effective Term

Semester A 2026/27

## Part I Course Overview

### Course Title

Seminars on Data Science I

### Subject Code

DSC - Data Science

### Course Number

8001

### Academic Unit

Data Science (DS)

### College/School

College of Computing (CC)

### Course Duration

Two Semesters

### Credit Units

0-1

### Level

R8 - Research Degree

### Medium of Instruction

English

### Medium of Assessment

English

### Prerequisites

Nil

### Precursors

Nil

### Equivalent Courses

SDSC8001 Seminars on Data Science I

### Exclusive Courses

Nil

## Part II Course Details

### Abstract

This course aims to

- help students to discover and critically apply the research approach and methodology for carrying out research works
- broaden students' knowledge in various areas of data science by attending seminars given by experts
- strengthen the presentation and communication skills through oral presentation and discussion with their fellow students

### Course Intended Learning Outcomes (CILOs)

| CILOs |                                                                                                                                                       | Weighting (if app.) | DEC-A1 | DEC-A2 | DEC-A3 |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|--------|--------|--------|
| 1     | Recognize and understand the different research methodologies in various areas of data science and advance knowledge by conducting literature search. | 50                  | x      | x      |        |
| 2     | Clearly articulate and describe the research problems and the solutions in some subject areas as presented in the seminars.                           | 30                  | x      | x      | x      |
| 3     | Formally summarize research findings in specific topic(s).                                                                                            | 20                  | x      | x      | x      |

#### A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

#### A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to real-life problems.

#### A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

### Learning and Teaching Activities (LTAs)

| LTAs |                                  | Brief Description                                                                                                                                     | CILO No. | Hours/week (if applicable) |
|------|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|----------|----------------------------|
| 1    | Seminar participation            | Students will attend the seminars regularly, and participate in the discussion and possibly raising questions.                                        | 1        | 1 hour/ week               |
| 2    | Seminar presentation and writing | Students will work on one report on a chosen research problem and the associated findings, and make one seminar presentation of the report if needed. | 2, 3     |                            |

### Assessment Tasks / Activities (ATs)

| ATs |                        | CILO No. | Weighting (%) | Remarks ("-" for nil entry) | Allow Use of GenAI? |
|-----|------------------------|----------|---------------|-----------------------------|---------------------|
| 1   | Attendance in seminars | 1        | 50            | -                           | No                  |

|   |                                         |      |    |   |    |
|---|-----------------------------------------|------|----|---|----|
| 2 | Report writing and seminar presentation | 2, 3 | 50 | - | No |
|---|-----------------------------------------|------|----|---|----|

**Continuous Assessment (%)**

100

**Examination (%)**

0

**Assessment Rubrics (AR)****Assessment Task**

Attendance in research seminars

**Criterion**

Attendance of at least 12 departmental seminars and active participation in the seminar discussions.

**Pass (P)**

(P) Pass

**Failure (F)**

(F) Fail

**Assessment Task**

Report writing and seminar presentation

**Criterion**

Ability to write a report and make a seminar presentation.

**Pass (P)**

(P) Pass

**Failure (F)**

(F) Fail

## Part III Other Information

**Keyword Syllabus**

- Independent study
- Literature search
- Communication and presentation skills

**Reading List****Compulsory Readings**

| Title |     |
|-------|-----|
| 1     | Nil |

**Additional Readings**

| Title |     |
|-------|-----|
| 1     | Nil |
